# Licensing & Support

**Technical Support**

Support is provided by Interlogix for the connection and use of the 3rd party device(s) within TecomC4. For these enquiries, please contact us: support@interlogix.zendesk.com

For support enquiries relating to configuration and use of 3rd party device(s) outside of TecomC4, please refer to the supplier and/or manufacturer of the device. Integration manuals can be found on the C4 portal (www.c4portal.com).

**Online Registration and Licensing**

TecomC4 and all applicable licenses can be purchased and registered online at www.interlogix.com.au/tecomc4-site-registration
